EDUCATION

B.Tech in Information Science and Engineering	2024 – 2027
University of Visvesvaraya College of Engineering	CGPA : 8.67
Diploma in Electronics and Communication Engineering	2021 – 2024
Government Polytechnic, Turuvekere	CGPA : 9.44
SSLC / Class X	2021
Government High School Hongelakshmikshetra	Percentage : 94.24

TECHNICAL SKILLS

- **Programming:** Java (Intermediate), JavaScript(Basics), Python (Basics)
- **Web:** HTML, CSS, Node.js, Express.js
- **Database:** MySQL, SQL, MongoDB
- **Tools:** Git, GitHub, VS Code, Eclipse
- **Operating Systems:** Linux, Windows
- **Core Concepts:** Data Structures Algorithms, OOPs, DBMS, Operating Systems, Computer Networks

PROJECTS

StaySpot – Travel Listing Web Application Demo Link

- **Technologies:** Node.js, Express.js, MongoDB, Passport.js, Cloudinary, Mapbox, HTML, CSS, JavaScript
- Developed a full-stack travel listing platform with secure authentication and CRUD functionality.
- Integrated Cloudinary image uploads, Mapbox location services, and deployed the application on Render.

Human Eye Disease Detection System

- **Technologies:** Python, TensorFlow, OpenCV, Streamlit 🐙 GitHub
- Developed a deep learning web application for automated classification of retinal OCT images into four eye disease categories.
- Implemented image preprocessing, disease localization, confidence score visualization, and real-time prediction using Streamlit.

Cricket Tournament Management System

- **Technologies:** PHP, MySQL, HTML, CSS, JavaScript, XAMPP 🐙 GitHub
- Built a web-based application for team registration, player management, match scheduling, and points table management.
- Implemented CRUD operations using PHP and MySQL with local deployment through XAMPP.

INTERNSHIP/TRAININGS

ERP Intern — Nidec Industrial Automation India Pvt. Ltd., Bangalore Feb 2024 – Jun 2024

- Collaborated with the Production Management team using Microsoft Dynamics ERP Software.
- Managed production, inventory, and material movement records for efficient production tracking.
